Our Worship

As we gather to worship this morning through faith in Christ, we are entering into conversation with God as He speaks in His Word and is with us by the Spirit. Our worship service has an intentional movement that focuses on the Gospel:

- We begin with our **APPROACH TO GOD,** hearing a call to worship from His word and then responding to Him with songs and prayers of praise.
- We then have a time of **RENEWAL IN CHRIST** in which we confess our sins and hear His promise of forgiveness in His word and through song.
- Assured of His grace, we then listen to **THE WORD OF GOD** as it is preached from our passage for that day, and we all receive the sacrament of communion monthly as a "visible word" from God.
- After hearing the Word preached, we end our service with our **RESPONSE TO GOD.** We give offerings, affirm our faith, pray for needs in the congregation and world, and hear a blessing from God before singing a final praise to Him.

Through it all, God intends to bless us and change us by His grace so that we would go into the world to live for His glory. So let us come in humble faith, ready to hear and respond to our God and Savior.

Reflections

"What God is forbidding here is using His name lightly or thoughtlessly, as though neither God nor His name were of any importance to us. What marks out the true believer is, as the fifth Psalm puts it, that he or she loves the Lord's name and exalts in Him" (Sinclair Ferguson, *Things Unseen)*

40 DAY FOR LIFE

At the moment of fertilization, a new human being comes into existence. Even as a single cell zygote, the complete genetic code is there which determines sex, hair and eye color, height, and even natural intellectual, athletic, and musical abilities. All that is needed is nine months to grow and develop in the mother's womb, as God designed. We are made by God and made for God. Yet each year more than 1.1 million babies are aborted in the U.S. The victims of abortion never get a chance to experience life, to know God, or to exercise any other human right. Nearly two-thirds of abortions are chemical abortions done in the first 10 weeks of gestation, but some states allow abortion throughout the third trimester. Sadly, this is the world we live in. Is this God's will? Or man's? We are called to be in the world, but not of the world.

What can you do? Sign up for vigil hours to pray outside Planned Parenthood in Sheboygan now through November 1. Simply go to www.40daysforlife.com/sheboygan, or contact Germaine 920-918-2310 or Gina 920-917-9324. Signs will be provided. All we do is show up and pray, and let God change hearts and minds.
